

Officials,

Please read the email **[ALL THE WAY THROUGH](#)**

Sorry for the delay in this email. I just received confirmation from USA this morning for our clinic in January. On Sunday, January 3rd we will be hosting a series of clinics. Our clinician is phenomenal, Paul Albright (USA Volleyball Rules Interpreter), will be leading the clinic - so any rule questions will have the definitive answer!

1. Developmental Referee Clinic – For all Officials and officials that are interested in going for their Junior National Certification
2. National Level Clinic – For all Junior National, National, and Junior National Candidates

After the clinic we will be training and rating officials on matches at the tournament.

Site: University of Northern Iowa – Wellness and Recreation Center

Date: Sunday, January 3rd

**Times: National Clinic: 8:00AM
Developmental Clinic: 10:15AM
Both clinics last roughly 2 hours**

Clinician: Paul Albright – USA Volleyball Rules Interpreter

You MUST sign up at https://volleyballreftraining.com/2016_events_RefClinics.php and pay the fee. The fee for the clinic is \$25 for Regional level officials and below. The \$25 covers all clinics. The clinic is not posted yet, but it should be up by tomorrow.

- Junior National Candidates: You must attend both clinics and stay for the rating session to be eligible to enter candidacy through our region. If you cannot attend you need to contact me.
- Regional Officials – Remember to maintain your certification you must be rated twice as an R1 and R2 in your term. Might as well get them out of the way!

Thank you and once again I apologize for not getting this out sooner but I did not get confirmation till today.
